Mumbai, India | +91 8010640238 | [hiteshbpandey@gmail.com](mailto:hiteshbpandey@gmail.com) | [www.linkedin.com/in/i-hitesh](https://www.linkedin.com/in/i-hitesh)

## Career Summary

---

A result-driven developer with expertise in full-stack and front-end development. In my role as a Junior Java Full-Stack Developer at TATA STRIVE, mastered Java, MySQL, Bash-scripting, HTML5, CSS3, JavaScript, Spring-Boot, Bootstrap, React, XML, and JDBC. Key skills include Core Java, MySQL, Web Development, Java Database Connectivity(JDBC),and JavaScript. During the Front-End Developer internship at OASIS INFOBYTES, valuable hands-on experience was gained in responsive web development and Git. Prepared for real-world challenges, there is eagerness to excel in a front-end developer career.

## Key Skills

---

- Proficient in providing constructive feedback to improve team dynamics.
- Empathic listener persuasive speaker with strong interpersonal abilities.
- Confident and articulate speaking abilities for effective communication.

## Professional Experience

---

### TATASTRIVE—Mumbai, India

*Junior Full Stack Java Developer— 07/2023 – 11/2023*

- **Full-Stack Expertise:** As a junior Java full-stack developer at TATA STRIVE in Mumbai, honed skills in Core Java, MySQL, and Java Database Connectivity (JDBC). Proficiency extends to front-end technologies like HTML, CSS, and JavaScript, as well as back-end frameworks like Spring-Boot. This comprehensive skill set equips for a dynamic and promising career in web development.
- **Responsive Web Development:** My hands-on experience includes crafting responsive web applications using Bootstrap, React, and XML. This expertise ensures user-friendly and adaptable solutions that meet the demands of modern web development.
- **Version Control and Automation:** Adept at utilizing Git and GitHub for version control and collaborative coding. Additionally, possesses a robust foundation in Bash scripting, contributing to the streamlining of tasks and enhancement of efficiency in software development workflows.

### OASISINFOBYTES—Mumbai, India

*Front End Developer— 10/2023 – 11/2023*

- **Effective Troubleshooting:** Developed a keen eye for identifying and resolving issues that emerged during the development process. Proactive troubleshooting skills were employed to ensure that websites functioned smoothly, enhancing user experiences and overall project success.
- **Hands-On Responsive Web Development:** During the Front-End Developer internship, actively engaged in crafting responsive websites. Leveraged HTML5, CSS3, and JavaScript (ES6) to ensure that user interfaces were not only visually appealing but also seamlessly adaptable to various devices. This hands-on experience reflects proficiency in modern front-end technologies.
- **Task Management and Version Control:** Working with version control systems like Git, efficiently managed project codebases and collaborated with team members. Successfully handled specific tasks assigned during the internship, demonstrating the ability to manage multiple responsibilities and deliver results in a real-world development environment.
